

APPLICATION TO CONVERT GROUP LIFE INSURANCE

This form is to be used only when an eligible employee, who is terminated from employment for any reason, desires to convert their SET Basic Life insurance to an individual policy. As a policy holder of a group life insurance policy, you have the right to convert your current policy into an individual policy without further evidence of insurability. The rate of the converted policy will be based on your attained age and the payable amount of the policy. To convert your policy into an individual policy, this form must be completed in full and submitted to SET, Inc. within 31 days following the effective date of termination of insurance. Section 1 of this form is to be completed by the applicant. Section 2 is to be completed by the employer. Please note that you may not convert your current life insurance policy into term insurance.

A description of your current insurance coverage and to whom the insurance is currently payable can be found on page 3.

TO CALCULATE YOUR PREMIUM:

1. Find your age and the related rate from the rate table above.
2. Multiply this rate by the number of thousand dollar increments of insurance you plan to convert, then divide by 1,000.

EXAMPLE: Conversion of \$5,000 Group Life for a 45 year old to \$5,000 Whole Life at age 45 Plan.

$$\$54.07 \times \$5,000 / 1,000 = \frac{\$270.35}{\text{PREMIUM}} \text{ (annual premium to be submitted)}$$

PLEASE USE SPACE BELOW TO CALCULATE YOUR PREMIUM:

$$\$ \frac{\text{RATE}}{\text{RATE}} \times \frac{\text{AMOUNT CONVERTING}}{\text{AMOUNT CONVERTING}} / 1,000 = \frac{\text{PREMIUM}}{\text{PREMIUM}} \text{ Submit check or money order for this amount}$$

Send completed form along with check or money order for the first premium to the address listed below.
Failure to do so will result in process delays.
